Introduction

These financial regulations govern the conduct of financial management by Keresley Parish Council and may only be amended or varied by resolution of Keresley Parish Council. Financial regulations are one of the parish council's three governing policy documents providing procedural guidance for members and officers. Financial regulations must be observed in conjunction with Keresley Parish Council's standing orders and any individual financial regulations relating to contracts.

Keresley Parish Council have adopted NALC model standing orders which incorporate and reference many statutory requirements to which councils are subject.

The model standing orders do not include model financial regulations. Financial regulations are standing orders to regulate and control the financial affairs and accounting procedures of a local council. The financial regulations, as opposed to the standing orders of a council, include most of the requirements relevant to the council's Responsible Financial Officer.
